

EO/OSI

Would you check the attached and give me your comments on the status of our external contracts. Has the [REDACTED] contract been terminated yet and, perhaps also, that of [REDACTED] I will send this to [REDACTED] as soon as you complete your part of it. [REDACTED] would like to have a reply by Thursday on the whole thing. Originally we had a longer due date, but [REDACTED] is turning over this business of external research to [REDACTED] and would like to finish it up this week.
